

# BABY IT'S COLD OUTSIDE!

## THE OMSA INAUGURAL WARM HEARTS WARM HEADS AND HANDS WINTER DRIVE

All collected items will be distributed to several different service agencies.

These agencies include: Austin's Place, Salvation Army Stepping Stone Program and Daytime Warming Center and Crisis Nursery. Austin's Place is an emergency shelter for homeless women. The Stepping Stone Program houses men, women and families who present as homeless and who commit to working the program. The Crisis Nursery is a free, emergency-based child care center that is open 24 hours, 365 days a year.

Please donate hats and gloves in sizes appropriate for women, men and young children.

The selected agencies are also in need of other items. These items include but are not limited to: Lysol/Clorox Spray and Wipes, children's toothbrushes and toothpaste, shoes, any type of formula, hygiene products and finger foods (e.g., pretzels, granola bars, animal crackers, fruit snacks).

Collection boxes will be available from December 3 through December 19th in the main OMSA office (610 East John Street, Suite 130) or at the OMSA's Academic Services Center located at 701 South Gregory Street.
